27 October 1987

MEMORANDUM FOR: Director, Office of Information Technology
ATTENTION: Chief, Management Branch/IRD/OIT
FROM:
Associate Deputy Director for Administrative
Law and Management Support
SUBJECT: Reporting Unauthorized Disclosures to
Information Security Oversight Office (ISOO)

1. The following information is provided to you to fulfill the Agency's reporting requirement to the Information Security Oversight Office for an unclassified report giving the number of unauthorized disclosures referred to the Department of Justice.

2. This report will cover the reporting period 1 April through 30 September 1987.

3. Twelve cases were reported to the Department of Justice during this time on an individual basis which were considered major unauthorized disclosures. Of these 12 cases, 8 were investigated by the FBI and closed, 3 are currently under investigation and there has been no response on 1 case.

4. In addition to these individual reports, CIA also submits to the DOJ reports of unauthorized disclosures on those cases where the Office of Security conducted internal investigations and determined that the intelligence disclosed received extensive dissemination throughout the Intelligence Community and no substantive leads were developed to narrow the list of subjects. These reports and the number of cases were sent on the following dates:

13 May 1987	10 Cases
15 June 1987	3 Cases
31 July 1987	8 Cases
23 August 1987	8 Cases
2 September 1987	5 Cases

There has been no response from the Department concerning these cases.

5. Also during this time period, two cases involving possible violations of the Identities Protection Act were referred to the Department of Justice and are presently under investigation.
